## Texas Security Bank Rated Healthiest in North Texas, #5 in U.S.

### *DepositAccounts Releases 2015 Rankings*

(DALLAS, TX - Aug. 5, 2015) - The financial community received another indication of Dallas' healthy and booming economy with the release of [DepositAccounts Top 200 Healthiest Banks in America](#) list. Dallas-based Texas Security Bank ranked #1 in North Texas and #5 in the nation out of the 6,998 federally insured banks. With its inclusion on this year's list, Texas Security is one of only 49 banks to make the list two years consecutively.

Each year DepositAccounts analyzes more than 13,000 federally insured banks and credit unions in the U.S. to create the healthiest financial institutions list. Scores are calculated based on several factors including capitalization, deposit growth and loan to reserve ratios.

"Following the 2008 Banking Crisis, it's critical to consider the health of the bank you entrust your deposits with," said Chairman, President and CEO Craig Scheef. "This is a great honor to be named one of the Top 200 Healthiest Banks in America, and is a testament to our mission, elevating the champions of free enterprise. We began as an entrepreneurial venture in 2008, conceived to help other individuals and businesses realize their dreams. We know what it takes to build an independent business from the ground up, because we've done it."

In addition, Texas Security Bank created the Business Institute to provide continuing education for independent business owners. The Institute is based on the 10 most important business disciplines every business owner should know and is offered throughout the year.

As of June 30, 2015, Texas Security Bank has \$273.9 million in assets with \$25.8 million in equity. Over the same twelve-month period, the bank has increased its total deposits from \$190.2 million to \$227.5 million, an increase of 18.11%.

Founded in 2008, Texas Security Bank provides the capital and management resources to help businesses run more successfully. From a full suite of treasury management services to commercial, Small Business Administration (SBA) and mortgage loans, Texas Security Bank is focused on business owners. Since opening, Texas Security Bank has increased to 40 employees with locations in Dallas, Garland and Farmers Branch.
