

Commercial Debit Card Acknowledgement

Company Name: _____

Name (Name will appear exactly as printed along with company name)	POS (over \$2500 requires officer approval)	ATM (\$500 max)	Linked Account

I authorize Texas Security Bank to order the above referenced debit cards linked to my business checking account(s). I acknowledge that I am liable for card transactions that I do not authorize if TSB can prove that it processed the transactions in good faith and in compliance with the commercially reasonable security procedure, unless otherwise required by law. If I believe my card(s) and or code(s) have been lost, stolen or compromised I will notify TSB immediately and promptly confirm such notice in writing. My liability for transactions will continue for up to two (2) business days following my written notice. If I do not notify TSB within sixty (60) days from when the periodic statement containing an unauthorized transaction was first mailed or made available to me, TSB can consider that transaction to be valid and will preclude me from asserting otherwise. TSB will not be liable for any consequential or incidental damages resulting from the unauthorized use of the card(s).
