workforce GO

Get Payroll, HR, and Time Tailored to You

Workforce Go helps you manage your workforce from pre-hire to retire in one unified platform with single sign on capabilities from your banking platform. Integration with leading ERPs brings you an all in one solution tailored to you.

Payroll

Workforce Go provides an efficient and accurate approach to payroll processing, so you can deliver the perfect paycheck every time.

- Reduce processing times
- Simplify determining regular vs overtime pay
- Improve compliance and mitigate regulation change risk
- Employees enjoy mobile, self-service access to information
- Handle the tedious and complex payroll-related tasks, such as tax filing, garnishment processing, and check printing

People

Workforce Go helps you eliminate paperwork and inefficiencies so you can build transparent, compliant HR processes that enable you to effectively manage, engage, and inspire your workforce.

- Transform your process by eliminating redundant data entry and manual tasks.
- Customize your workflows, checklists, and forms.
- Integrate seamlessly with payroll, timekeeping, and leading ERPs.
- Enhance employee engagement with modern recruiting, onboarding, learning, and self-service tools.

We Educate, We Elevate, We Serve your business with online banking and digital tools to help you manage your business effectively and efficiently. For more information, visit us online: www.texassecuritybank.com.

Time

With time and attendance tracking, advanced scheduling, and leave management, you will have the tools to maintain compliance and boost employee productivity and engagement.

- Easily align current policies and with federal and state regulations
- Real-time access to data via configurable dashboards and reports
- Schedule employees with the right skills and certifications
- Minimizes absence costs through accurate tracking and notification of leave balances
- Boost employee engagement with mobile, self-service access

ERP Integration

We know your industry isn't one-size-fits-all, and neither are the needs of your organization and employees. This is why Workforce Go HCM integrates with the nation's leading ERPs to meet you where you are and help you get to where you want to go. Our integrations go beyond the basics to make sure every piece of your puzzle fits perfectly. It's more than just managing your people; it's about empowering them to thrive. What are the benefits of integrating Workforce Go with your Cloud ERP?

- Low Maintenance & Continuous Updates
- Scalability
- Employee Experience
- Anywhere Access
- Improve Compliance
- Unified Platform
- Digital Transformation
- Data-Driven Decision Making
